

Fateh, Oath of Dedication to Palestine. Translated by *The Palestinian Revolution*, 2016.¹

I swear by God Almighty,
I swear by my honour and beliefs,

I swear that I shall be faithful to Palestine, working towards its liberation with complete discretion and giving all I can.

I swear not to betray the secrecy of the movement, and not to disclose what I know of its affairs.

This is a true oath, and God is my witness.
